BSc Computer Science grad with frontend development skills. Passionate about crafting user-friendly interfaces with HTML, CSS, and JavaScript. Eager to apply technical and communication skills to excel in a service desk role, providing exceptional support and enhancing user experiences

EDUCATION

BSC (computer science)   76%
Shivaji University, Kolhapur

HSC   46%
Willingdon college ,Sangli.

PROJECTS

Instagram-Story-Feature

- The Insta Story Feature project was created to replicate the interactive and dynamic functionality of Instagram stories. I have used HTML ,CSS & JAVASCRIPT

- Link : https://github.com/prathameshk9/Insta-Story-Animation

Insta Heart Button

- Delved into the world of DOM manipulation and learned about essential concepts like addEventListener and setTimeout.

- Interactive Animation: Implemented a smooth animation effect to mimic the heart animation seen on Instagram.
